INTRODUCTION

Maribyrnong City Council's Love Your West Grants Program provides financial and in-kind support to our local community to activate the City's public spaces and/or further Maribyrnong's reputation as a night time destination of choice. The Grants Program is guided by Council's Festivals and Activation Framework 2022–2026 (the Framework).

As an applicant you must meet the Eligibility Criteria and address the Funding Criteria. Proposed activities need to align with strategic objectives of the Council Plan 2021–2025 and the Festivals and Activation Framework 2022–2026. These documents can be found on Council's website maribyrnong.vic.gov.au

PROGRAM OBJECTIVES

The Love Your West Grants Program has been developed to complement Council's established Festival City funding model, and in response to the community's desire to pilot authentic, local and more contemporary experiences - especially during after work hours. It allows support for more agile activations and initiatives delivered in shorter timeframes.

It aims to contribute to the objectives of the Festivals and Activation Framework 2022-2026, which are:

- Leverage from Council's successful festival support model to include a broader range of scalable, contemporary and more regular urban experiences and attractions
- Influence improved delivery of current and new community festivals, activations and events in regard to their inclusivity, sustainability, economic and environmental impact, and relationship to place
- Increase local community buy-in of our distinct cultural precincts and leverage these precincts to improve visitability of our City
- Make our streets more activated, cohesive, enticing and safe creating better 'first impressions'

- Increase walkability of our City in alignment with our climate emergency objectives
- Support the growth of our night time economy and make it our key point of difference

This Program also directly links to the Council Plan 2021-2025 Strategic objectives of:

- Liveable neighbourhoods
Council will partner with its community to provide and advocate for integrated built and natural environments with access to open spaces that are well maintained, engaging, accessible and respectful of the community and neighbourhoods.
- A place for all
Council will provide well-planned neighbourhoods and a strong local economy, delivering services that are inclusive and accessible to the whole community, and that support wellbeing, healthy and safe living, connection to the community, and cultural interaction.

When preparing your budget and funding request, please take into account the following:

- Successful applicants may not receive all the funding requested
- Ensure you provide a detailed budget noting all items including in-kind and cash amounts
- Note other sources of funding and sponsorship (these must be itemised not a lump sum), including whether these are confirmed or unconfirmed and indicate if your organisation has been successful with this funding in the past

LOBBYING

Lobbying of the Mayor, Deputy Mayor, Councillors, employees of the City of Maribyrnong or assessment panel members in relation to a funding application is strictly prohibited. No consideration will be given to an application submitted by an applicant where such lobbying has been proven to have taken place.

ASSESSMENT

Love Your West applications are assessed on a competitive basis. After your application has been submitted:

- Applications are first assessed that they meet the eligibility criteria
- Eligible applications will be considered by an assessment panel of Council officers with recommendations endorsed by the relevant Manager/Director
- While an application may meet eligibility and funding criteria, this does not guarantee a grant
- You will receive written advice on the outcome of your application
- The decision on funding is final

PAYMENTS

Council will issue grants by Electronic Funds Transfer (EFT) and banking details will be requested when completing paperwork related to successful grants.

Your organisation (or your Auspice Body) will need to provide a tax invoice to Maribyrnong City Council, showing the grant amount, plus GST if applicable.

Council will pay 50% of the grant payment on signing of the Funding Agreement. The final 50% grant payment will be only made once all relevant documentation associated to your activity is received by Council.

ABN & GST INFORMATION

ABN REQUIREMENTS

All grant applicants will be required to have a registered ABN. Your organisation can get an ABN by completing the appropriate forms that are available from Australia Post and the Australian Tax Office.

If you do not have an ABN you will need to find an auspice body with an ABN who is prepared to act on your behalf and auspice your application. The grant will then be paid to the auspice body that will be responsible to oversee the expenditure of the grant. A confirmation letter from the auspice body will need to be attached to your application form.

ABOUT GST

GST will only apply to your grant if your organisation or Auspice body is registered for GST with the Australian tax office (ATO). In these cases Council will add 10% for the GST to the grant. For information and advice on GST and the implications for your grant, call the ATO on 13 28 66 or visit the website www.ato.gov.au

Grants are considered taxable income by the ATO. It is illegal to claim GST if you are not registered.
