Your community centre and library is the perfect location to hold your next event.

Braybrook Community Hub, Maidstone and Maribyrnong Community Centres, along with Footscray, Maribyrnong and West Footscray Libraries, have a wide variety of spaces and venues available for hire to suit all occasions.

Whether you're looking for a space for your next planning day, meeting or conference; or for an event, party or launch, there's a space to suit your needs.

Each centre has a range of meeting and conference rooms; computer labs and spaces for working, training and presentations. They also feature large halls for bigger events, gallery and creative spaces; and fully equipped kitchens. The three libraries also have a range of meeting, conference and discussion rooms available.

Spaces are available for one-off or recurring events and there are a variety of styles and sizes to choose from.

All three community centres and libraries are located in the City of Maribyrnong near public transport and parking.
