At My
Kindergarten

There is so much

I can help garden,

explore nature,

swing on the swings,

ride a bike,

fly an airplane,

to do outside...

dig in the sandpit,

play in the cubby house,
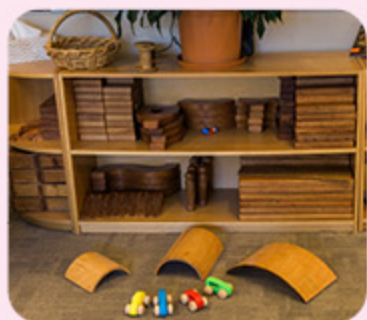

slide down the slide,

and climb obstacles!

There is a book and reading corner at my kinder.

I learn about cultures.

I build and create things.

I pretend to be a mum,
dad, auntie, uncle, sister,
brother, cousin.

I use my imagination

This is where I wash my hands and go to the toilet

This is where I keep my bag, snacks and sun hat.

I learn about...

shapes,

the alphabet,

colours,

and numbers.

I learn about animals.

I learn many things

and this helps me be ready to start school.
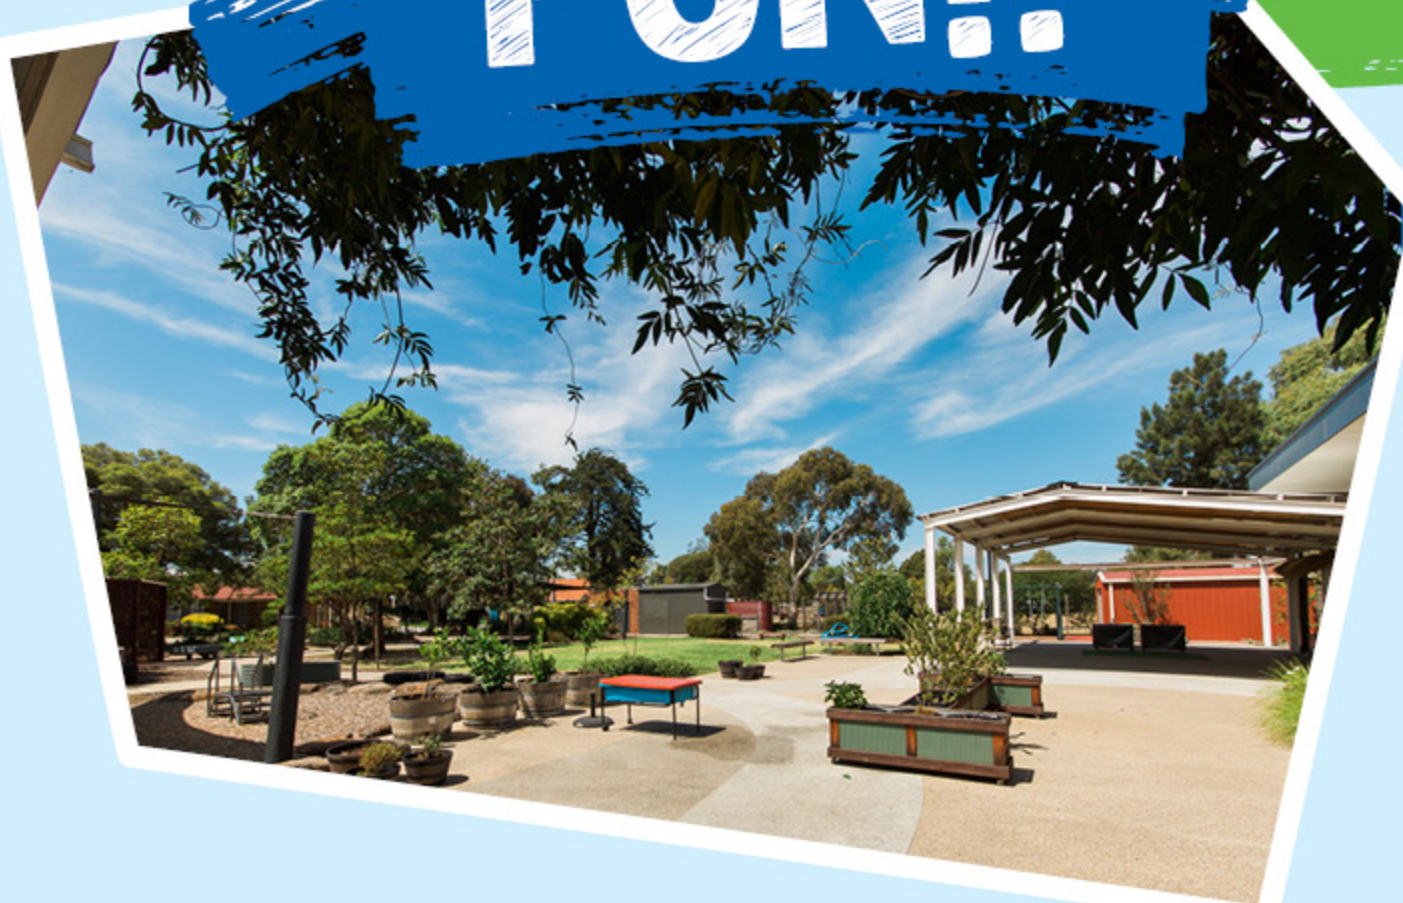

I learn to

play with my friends.

I have
FUN!!

At kindergarten children learn to become more independent with increased responsibilities as they get to practice their sharing, cooperation and collaboration skills.

Kindergarten provides children with the opportunity to get ready for school while learning and having fun.

How to register for kindergarten:

- request an application form, call us on 9688 0116
- register online via maribyrnong.vic.gov.au/CRS
