Playgroups are informal play and social groups for adults/carers with children 0-6 years.

Parent run playgroups are called 'Community Playgroups' and sometimes have voluntary committees.

Facilitated playgroups are called 'Supported Playgroups' and are usually free. Council or other organisations run the groups, providing play experiences and parenting assistance, often with a specific focus eg young parents. Playgroup vacancies change frequently.

Please note some playgroups meet at centres, cafes, parks or homes and choose not to be listed on this timetable.

For further information, assistance to start your own playgroup or to notify of a change to your playgroup, please contact Early Years - Playgroup
