

MARIBYRNONG.

Our Story is Intercultural.

Traditional Owners, the **Wurundjeri**
Woi Wurrung and the **Bunurong** people
of the **Kulin Nation** have called
Maribyrnong home
for more than
40,000 years.

People from all around the
world come to the
City of Maribyrnong.

They come here, to Live, to work,
to learn, to shop, to play, to eat.

A vibrant illustration of the Footscray Market building. The building is a two-story structure with a beige upper section and a red lower section. The words 'FOOTSCRAY MARKET' are written in red on the beige part, and '家庭 友谊 生命' (Family, Friendship, Life) is written in Chinese characters on the red part. A large yellow 'Fm' logo is on the right side of the building. In the foreground, several diverse people are walking: a woman in a purple shirt and orange pants, a woman in a pink hijab and teal dress, a woman in a purple dress, a woman in a blue dress, a man in a red shirt pushing a stroller, a woman in a blue dress, and a man in a blue suit. Everyone is **DIFFERENT.**

People might
be different
COLOURS, or
speak different
LANGUAGES.

They might eat different foods,
or play different sports and games.

Everyone has
a different story.

Having lots of different people is called
DIVERSITY.

Diversity is a good thing because it makes
our community stronger and better.

The way we look, where we come from,
our family, the languages we speak
and our beliefs make us who we are.
This is what we call culture.

One person can have many
different cultures and our culture
can change.

We share and learn about our own and other people's culture by;

Living together
in the same
community

Making friends

Sharing food

Talking to each other
Understanding each other

When we share, learn and tell our stories with different people it is called being intercultural.

We want Maribyrnong to be a place where people can share, learn and tell their stories.

Maribyrnong City Council is committed to supporting this.

We are committed to being a place where everyone is welcome, feels safe and is heard.

We are committed to being an Intercultural City.
