Chemical and Hazardous Waste

Paint and chemicals: Detox Your Home is a free, safe and easy to use chemical disposal service. To dispose of household paint, batteries and fluorescent lights, visit the permanent drop off site at Moonee Valley Transfer Station. Please note that the permanent drop-off sites do not accept toxic chemicals. Visit the 'Detox Your Home' website or call (03) 8626 8700 to find the nearest suitable collection point.

Asbestos: Find your nearest asbestos disposal site at www.recyclingnearyou.com.au/asbestos
