Preparing for the heat

We are expecting a very hot Summer this year, see the tips below to keep safe and well.

Drink plenty of water, even if you don't feel thirsty.

Keep yourself cool by using wet towels, putting your feet in cool water and taking cool (not cold) showers.

Eat smaller meals more often and cold meals such as salads. Stock up on food, water and medicines to minimise trips outside.

Look into ways to keep your home cooler, like installing window coverings or shade cloths on sunny sides of the house.

Seniors Month, Oct 2024: lunch and dancing with Elvis created lasting smiles.

Welcome to 2025

It's going to be an exciting year. In addition to our regular programs and groups, we have some new offerings we hope you will enjoy. These will include community art, cooking, social chats and gardening.

We have also had a stunning facelift - a beautiful mural created by local artist Emma Ismawi. The work is a celebration of the community and surrounds, the people that make it special, and the Maribyrnong River and its flora and fauna.

The mural also depicts various Centre activities such as walking, tai chi, exercise, cards, knitting, morning tea, digital classes and line dancing.

We look forward to seeing you soon.

Flood recovery update

Two years on from the Maribyrnong River Flood event, the impacts are still being felt. The Maribyrnong Community Recovery Committee continues to support Council to support recovery and bring the community together.

In Term One, we look forward to the continuation of free tai chi every Saturday and additional Blackbird River Cruises.

Victoria and Southern Cross Universities will deliver an art program for young people aged 11-17 who have been impacted by the flood, which will lead to an exhibition and a framework to understand young people's needs in emergencies.

The Community Recovery Committee, GenWest and Council are working with legal and financial services on a project to make insurance information more accessible for the community.

Walk-in information about accessing recovery support continues to be available every Thursday at the Maribyrnong Community Centre during operating hours.

Building works update

We still look a little like a building site, but we have a new builder and the works are restarting in mid-January 2025 (expected completion April 2025).

We appreciate your patience and look forward to welcoming the early years centre and reopening our improved spaces.

Coffee cart coming soon!

We're excited to announce a addition to our foyer, a coffee cart hand-crafted by the talented team at the Braybrook Men's Shed.

The cart will be a welcoming spot to grab a coffee or tea, have a chat, and enjoy the warmth of our community.
